### **18.01.60 - LONG-TERM CARE INSURANCE MINIMUM STANDARDS**

**DOCKET NO. 18-0160-0601**

#### **NOTICE OF RULEMAKING - TEMPORARY AND PROPOSED RULE**

**EFFECTIVE DATE:** The effective date of the temporary rule is November 1, 2007.

**AUTHORITY:** In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Sections 41-211 and 56-1305, Idaho Code.

**PUBLIC HEARING SCHEDULE:** Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than November 22, 2006. The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

**DESCRIPTIVE SUMMARY:** The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The rule is being amended to implement the Long Term Care Partnership Program provided for at Chapter 13, Title 56, Idaho Code. Chapter 13 became effective upon repeal of restrictions to asset protection contained in the omnibus budget reconciliation act of 1993. The restrictions were repealed by the passage of the federal Deficit Reduction Act of 2005. The proposed changes incorporate the latest changes to the model Long Term Care Minimum Standards Rule adopted by the National Association of Insurance Commissioners and are intended to make Idaho's rule consistent with the standards most likely to be adopted by other states.

**TEMPORARY RULE JUSTIFICATION:** Pursuant to Section(s) 67-5226(1)(b), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons: Compliance with changes to governing law.

**FEE SUMMARY:** Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein: The rule does not impose a fee.

**FISCAL IMPACT:** The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking: No fiscal impact.

**NEGOTIATED RULEMAKING:** Pursuant to IDAPA 04.11.01.811, negotiated rulemaking was not conducted because the changes made by this rulemaking were needed to implement the Long Term Care Partnership Program, Chapter 13, Title 56, Idaho Code.

**ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS:** For assistance on technical questions concerning the temporary and proposed rule, contact Joan Krosch, 208-334-4300.

Anyone may submit written comments regarding the proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before November 22, 2006.

DATED this 6th day of October, 2006.

(3-30-01)

**a.** Except as provided in Section 0205, Premium Rate Schedule Increases, exceptional increases are subject to the same requirements as other premium rate schedule increases. ~~(3-30-01)~~(11-1-06)T

**b.** The director may request a review by an independent actuary or a professional actuarial body of the basis for a request that an increase be considered an exceptional increase. (3-30-01)

(4-5-00)(11-1-06)T

#### **00511. POLICY PRACTICES AND PROVISIONS.**

**01. Renewability.** The terms “guaranteed renewable” and “noncancellable” shall not be used in any individual long-term care insurance policy without further explanatory language in accordance with the disclosure requirements of Section 00914 of this rule. (4-5-00)(11-1-06)T

a. A policy issued to an individual shall not contain renewal provisions other than “guaranteed renewable” or “noncancellable.” (4-5-00)

b. The term “guaranteed renewable” may be used only when the insured has the right to continue the long-term care insurance in force by the timely payment of premiums and when the insurer has no unilateral right to make any change in any provision of the policy or rider while the insurance is in force, and cannot decline to renew, except that rates may be revised by the insurer on a class basis. (4-5-00)

c. The term “noncancellable” may be used only when the insured has the right to continue the long-term care insurance in force by the timely payment of premiums during which period the insurer has no right to unilaterally make any change in any provision of the insurance or in the premium rate. (4-5-00)

d. The term “level premium” may only be used when the insurer does not have the right to change the premium for a specified period for the life of the policy. (3-30-01)

e. In addition to the other requirements of Subsection 00511.01, a qualified long-term care insurance contract shall be guaranteed renewable, within the meaning of Section 7702B(b)(1)(C) of the Internal Revenue Code of 1986 as amended. (4-5-00)(11-1-06)T

**02. Limitations and Exclusions.** A policy may not be delivered or issued for delivery in this state as long-term care insurance if the policy limits or excludes coverage by type of illness, treatment, medical condition or accident, except as follows: (4-5-00)

  - b. Mental or nervous disorders; however, this shall not permit exclusion or limitation of benefits on the basis of Alzheimer's Disease; (4-5-00)
  - c. Alcoholism and drug addiction; (4-5-00)
  - d. Illness, treatment, or medical condition arising out of: (4-5-00)

  - f. Expenses for services or items available or paid under another long-term care insurance or health insurance policy; or (4-5-00)
  - g. In the case of a qualified long-term care insurance contract, expenses for services or items to the extent that the expenses are reimbursable under Title XVIII of the Social Security Act or would be so reimbursable but for the application of a deductible or coinsurance amount. (4-5-00)
  - h. Subsection ~~00511.02~~ is not intended to prohibit exclusions and limitations by type of provider ~~or territorial limitations~~. However, no long term care issuer may deny a claim because services are provided in a state other than the state of policy issue under the following conditions: ~~(4-5-00)~~(11-1-06)T
  - i. When the state other than the state of policy issue does not have the provider licensing, certification or registration required in the policy, but where the provider satisfies the policy requirements outlined for providers in lieu of licensure, certification or registration; or (11-1-06)T
  - ii. When the state other than the state of policy issue licenses, certifies or registers the provider under another name. For purposes of this Subsection 011.02.h, "state of policy issue" means the state in which the individual policy or certificate was originally issued. (11-1-06)T
  - iii. Subsection 011.02 is not intended to prohibit territorial limitations. (11-1-06)T
- 03. Extension of Benefits.** Termination of long-term care insurance shall be without prejudice to any benefits payable for institutionalization if the institutionalization began while the long-term care insurance was in force and continues without interruption after termination. The extension of benefits beyond the period the long-term care insurance was in force may be limited to the duration of the benefit period, if any, or to payment of the maximum benefits and may be subject to any policy waiting period, and all other applicable provisions of the policy. (4-5-00)
- 04. Continuation or Conversion.** (4-5-00)
- a. Group long-term care insurance issued in this state on or after the effective date of Section ~~00511~~ shall provide covered individuals with a basis for continuation or conversion of coverage. ~~(4-5-00)~~(11-1-06)T

b. For the purposes of Section ~~00511~~, “a basis for continuation of coverage” means a policy provision that maintains coverage under the existing group policy when the coverage would otherwise terminate and which is subject only to the continued timely payment of premium when due. Group policies that restrict provision of benefits and services to, or contain incentives to use certain providers or facilities, may provide continuation benefits that are substantially equivalent to the benefits of the existing group policy. The director shall make a determination as to the substantial equivalency of benefits, and in doing so, shall take into consideration the differences between managed care and non-managed care plans, including, but not limited to, provider system arrangements, service availability, benefit levels and administrative complexity. ~~(4-5-00)~~(11-1-06)T

c. For the purposes of Section ~~00511~~, “a basis for conversion of coverage” means a policy provision that an individual whose coverage under the group policy would otherwise terminate or has been terminated for any reason, including discontinuance of the group policy in its entirety or with respect to an insured class, and who has been continuously insured under the group policy (and any group policy which it replaced) for at least six (6) months immediately prior to termination, shall be entitled to the issuance of a converted policy by the insurer under whose group policy he or she is covered, without evidence of insurability. ~~(4-5-00)~~(11-1-06)T

d. For the purposes of Section ~~00511~~, “converted policy” means an individual policy of long-term care insurance providing benefits identical to or benefits determined by the director to be substantially equivalent to or in excess of those provided under the group policy from which conversion is made. Where the group policy from which conversion is made restricts provision of benefits and services to, or contains incentives to use certain providers or facilities, the director, in making a determination as to the substantial equivalency of benefits, shall take into consideration the differences between managed care and non-managed care plans, including, but not limited to, provider system arrangements, service availability, benefit levels and administrative complexity. ~~(4-5-00)~~(11-1-06)T

e. Written application for the converted policy shall be made and the first premium due, if any, shall be paid as directed by the insurer not later than thirty-one (31) days after termination of coverage under the group policy. The converted policy shall be issued effective on the day following the termination of coverage under the group policy and shall be renewable annually. (4-5-00)

f. Unless the group policy from which conversion is made replaced previous group coverage, the premium for the converted policy shall be calculated on the basis of the insured’s age at inception of coverage under the group policy from which conversion is made. Where the group policy from which conversion is made replaced previous group coverage, the premium for the converted policy shall be calculated on the basis of the insured’s age at inception of coverage under the group policy replaced. (4-5-00)

g. Continuation of coverage or issuance of a converted policy shall be mandatory, except where: (4-5-00)

i. Termination of group coverage resulted from an individual’s failure to make any required payment of premium or contribution when due; or (4-5-00)

ii. The terminating coverage is replaced not later than thirty-one (31) days after termination, by group coverage effective on the day following the termination of coverage: (4-5-00)

(1) Providing benefits identical to or benefits determined by the director to be substantially equivalent to or in excess of those provided by the terminating coverage; and (4-5-00)

(2) The premium for which is calculated in a manner consistent with the requirements of Subsection ~~005.06~~ ~~011.04.f~~. ~~(4-5-00)~~(11-1-06)T

h. Notwithstanding any other provision of Section ~~00511~~, a converted policy issued to an individual who at the time of conversion is covered by another long-term care insurance policy that provides benefits on the basis of incurred expenses, may contain a provision that results in a reduction of benefits payable if the benefits provided under the additional coverage, together with the full benefits provided by the converted policy, would result in payment of more than one hundred percent (100%) of incurred expenses. The provision shall only be included in the converted policy if the converted policy also provides for a premium decrease or refund which reflects the reduction in benefits payable. ~~(4-5-00)~~(11-1-06)T

i. The converted policy may provide that the benefits payable under the converted policy, together with the benefits payable under the group policy from which conversion is made, shall not exceed those that would have been payable had the individual's coverage under the group policy remained in force and effect. (4-5-00)

j. Notwithstanding any other provision of Section ~~00511~~, an insured individual whose eligibility for group long-term care coverage is based upon his relationship to another person shall be entitled to continuation of coverage under the group policy upon termination of the qualifying relationship by death or dissolution of marriage. ~~(4-5-00)~~(11-1-06)T

k. For the purposes of Section ~~00511~~ a "managed-care plan" is a health care or assisted living arrangement designed to coordinate patient care or control costs through utilization review, case management or use of specific provider networks. ~~(4-5-00)~~(11-1-06)T

**05. Discontinuance and Replacement.** If a group long-term care policy is replaced by another group long-term care policy issued to the same policyholder, the succeeding insurer shall offer coverage to all persons covered under the previous group policy on its date of termination. Coverage provided or offered to individuals by the insurer and premiums charged to persons under the new group policy: (4-5-00)

a. Shall not result in an exclusion for preexisting conditions that would have been covered under the group policy being replaced; and (4-5-00)

b. Shall not vary or otherwise depend on the individual's health or disability status, claim experience or use of long-term care services. (4-5-00)

**06. Premium Changes.** (4-5-00)

a. The premium charged to an insured shall not increase due to either: (4-5-00)

i. The increasing age of the insured at ages beyond sixty-five (65); or (4-5-00)

ii. The duration the insured has been covered under the policy. (4-5-00)

b. The purchase of additional coverage shall not be considered a premium rate increase, but for purposes of the calculation required under Section ~~02532~~, the portion of the premium attributable to the additional coverage shall be added to and considered part of the initial annual premium. ~~(3-30-01)~~(11-1-06)T

c. A reduction in benefits shall not be considered a premium change, but for purpose of the calculation required under Section ~~02532~~, the initial annual premium shall be based on the reduced benefits. ~~(3-30-01)~~(11-1-06)T

**07. Electronic Enrollment for Group Policies.** (4-5-00)

a. In the case of a group defined in Section 41-4603(4)(a), Idaho Code, any requirement that a signature of an insured be obtained by an ~~agent~~ producer or insurer shall be deemed satisfied if: ~~(4-5-00)~~(11-1-06)T

i. The consent is obtained by telephonic or electronic enrollment by the group policyholder or insurer. A verification of enrollment information shall be provided to the enrollee; (4-5-00)

ii. The telephonic or electronic enrollment provides necessary and reasonable safeguards to assure the accuracy, retention, and prompt retrieval of records; and (4-5-00)

iii. The telephonic or electronic enrollment provides necessary and reasonable safeguards to assure that the confidentiality of individually identifiable information, "privileged information," is maintained. (4-5-00)

b. The insurer shall make available, upon request of the director, records that will demonstrate the insurer's ability to confirm enrollment and coverage amounts. (4-5-00)

**00612. INCORPORATION OF DOCUMENTS BY REFERENCE.**

**01. **a.** No individual long-term care policy or certificate shall be issued until the insurer has received from the applicant either a written designation of at least one (1) person, in addition to the applicant, who is to receive notice of lapse or termination of the policy or certificate for nonpayment of premium, or a written waiver dated and signed by the applicant electing not to designate additional persons to receive notice. The applicant has the right to designate at least one (1) person who is to receive the notice of termination, in addition to the insured. Designation shall not constitute acceptance of any liability on the third party for services provided to the insured. The form used for the written designation must provide space clearly designated for listing at least one (1) person. The designation shall include each person's full name and home address. In the case of an applicant who elects not to designate an additional person, the waiver shall state: "Protection against unintended lapse. I understand that I have the right to designate at least one (1) person other than myself to receive notice of lapse or termination of this long-term care insurance policy for nonpayment of premium. I understand that notice will not be given until thirty (30) days after a premium is due and unpaid. I elect NOT to designate a person to receive this notice." The insurer shall notify the insured of the right to change this written designation, no less often than once every two (2) years. (4-5-00)

**b.** When the policyholder or certificate holder pays premium for a long-term care insurance policy or certificate through a payroll or pension deduction plan, the requirements contained in Subsection ~~00813.01.a.~~ need not be met until sixty (60) days after the policyholder or certificate holder is no longer on such a payment plan. The application or enrollment form for such policies or certificates shall clearly indicate the payment plan selected by the applicant. ~~(4-5-00)(11-1-06)T~~

**c.** Lapse or termination for nonpayment of premium. No individual long-term care policy or certificate shall lapse or be terminated for nonpayment of premium unless the insurer, at least thirty (30) days before the effective date of the lapse or termination, has given notice to the insured and to those persons designated pursuant to Subsection ~~00813.01.a.~~, at the address provided by the insured for purposes of receiving notice of lapse or termination. Notice shall be given by first class United States mail, postage prepaid; and notice may not be given until thirty (30) days after a premium is due and unpaid. **02. Reinstatement.** In addition to the requirement in Subsection ~~00813.01~~, a long-term care insurance policy or certificate shall include a provision that provides for reinstatement of coverage, in the event of lapse if the insurer is provided proof that the policyholder or certificate holder was cognitively impaired or had a loss of functional capacity before the grace period contained in the policy expired. This option shall be available to the insured if requested within five (5) months after termination and shall allow for the collection of past due premium, where appropriate. **a.** The provision shall be appropriately captioned, shall appear on the first page of the policy, and shall clearly state that the coverage is guaranteed renewable or noncancellable. This provision shall not apply to policies that do not contain a renewability provision, and under which the right to nonrenew is reserved solely to the policyholder. (3-30-01)

**b.** A long-term care insurance policy or certificate, other than one where the insurer does not have the right to change the premium, shall include a statement that the premium rates may change. (3-30-01)

**02. Riders and Endorsements.** Except for riders or endorsements by which the insurer effectuates a request made in writing by the insured under an individual long-term care insurance policy, all riders or endorsements added to an individual long-term care insurance policy after date of issue or at reinstatement or renewal that reduce or eliminate benefits or coverage in the policy shall require signed acceptance by the individual insured. After the date of policy issue, any rider or endorsement which increases benefits or coverage with a concomitant increase in premium during the policy term must be agreed to in writing signed by the insured, except if the increased benefits or coverage are required by law. Where a separate additional premium is charged for benefits provided in connection with riders or endorsements, the premium charge shall be set forth in the policy, rider or endorsement. (4-5-00)

**03. Payment of Benefits.** A long-term care insurance policy that provides for the payment of benefits based on standards described as "usual and customary," "reasonable and customary," or words of similar import shall include a definition of these terms and an explanation of the terms in its accompanying outline of coverage. e. The insurer shall maintain the experience of all the replacement insureds separate from the experience of insureds originally issued the policy forms. In the event of a request for a rate increase on the policy form, the rate increase shall be limited to the lesser of: (3-30-01)

- i. The maximum rate increase determined based on the combined experience; and (3-30-01)
- ii. The maximum rate increase determined based only on the experience of the insureds originally issued the form plus ten percent (10%). (3-30-01)
